Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 82

Focus Occupation: Mental Health Counselors (21-1014)

Associated Occupation: Social and Human Service Assistants (21-1093)

Work Activities	Exclusivity of Activity
Coordinate social service activities with resource providers	77
Empathize with others during counseling or related services	69
Manage detailed case records in a social work setting	82
Record client's personal data	80
Relate to clients' socioeconomic conditions	82
Use interpersonal communication techniques	10
Use interviewing procedures	23
Work with persons with mental disabilities or illnesses	62

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
